Commissioner for Patents

The reply filed on 26 January 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s) (See 37 CFR 1.111):

Applicant failed to clearly and explicitly elect one of the species identified in the restriction requirement. Applicant must select one of these species and submit the claims that read on that elected species.

Applicant's remarks in paragraphs 2 and 3 of page 18 do not constitute a clear and unambiguous election of a single species as set forth in the restriction requirement.

Concerning applicant's traversal, it is noted that the particular portions of the MPEP that the applicant is attempting to relay are not specified (see, for example, paragraph 1, page 18).

Regarding the comments concerning the withdrawal of non-elected figures, it should be noted that upon election, the claims, not the figures, may be withdrawn.

Finally, it is unclear to what "species A" (see paragraph 4, page 18) refers.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
